TEACHERS GUIDELINES

Key Stage 1 and 2

The Guidelines aim to assist teachers to make the fullest possible use of the Cider Museum. For ease of use it is divided into three sections.

Section 1

The Cider Museum and the National Curriculum. Practical suggestions are given as to how the Cider Museum links into the National Curriculum.

Section 2

Teachers Notes: Historical information about cider production and related material.

Section 3

What teachers need to know about the Cider Museum: General information about the Museum, and sources of further documentation.

The publication is available from the Cider Museum shop at £2 per copy.

The Museum also has:
